

Don't just take our word for it...
meet some of our Paingone Heroes

"I just wanted to take a few minutes to tell you how well your product has worked for me. Thank you so much"

E.W

"I received my Paingone* last week and I am absolutely delighted with it. So much so my husband now wants one so that he can put it in his golf bag"

B.S

"I can now sleep all night, I use the pen before I go to bed and I have a peaceful and restful sleep. A pleasure I hadn't had for a number of years, the pain keeping me awake."

C.P

What is Paingone Plus?

Paingone Plus is an approved medical device and is a 30 year advancement in Transcutaneous Nerve Stimulation (TENS). The quick and easy device delivers a controlled and targeted electrical therapy straight to the point you need it most. The result is an ultra-portable and convenient device for targeted, drug-free pain relief.

So simple to use

Just one touch of a button and Paingone Plus delivers the controlled electrical impulses that stimulate the nerves and help deliver natural pain relief. Application is complete after just 30 seconds.

Use Paingone Plus wherever you need it most:

- Back ✓ Arms ✓
- Legs ✓ Shoulder ✓
- Waist ✓

At home or out and about, Paingone plus is there when you need it the most.

Paingone Plus is small enough and light enough to carry around in your pocket or a bag. With no attachments or accessories required. It can be used anywhere, anytime.

Safe and use as often as needed

Paingone Plus is a class 2 medical device it is safe and drug-free, and can be applied as often as required throughout the day to help manage your pain. Certain individuals cannot use Paingone Plus, please see the warning overleaf for details.

When you have sore muscles or aching joint pain, place Paingone Plus  where it hurts, to provide an instant 30 second therapy. That's all it takes.

With nearly 2 million Paingone devices sold worldwide, our pain relief success speaks for itself!

- ✓ Pain relief at one touch of a button
- ✓ No gels, pads or cables
- ✓ Only takes 30 seconds to apply
- ✓ Drug-free, safe and easy to use

Also from Paingone:

freeze
Cooling gel for muscles and joints

We think you'll also love Freeze gel: our topical pain relieving gel. Its menthol-based formula rapidly cools, soothes and relieves painful muscles, joints, sprains, strains, backache, and arthritis. Applying Freeze gel feels like the cold therapy you get from an ice pack, but it lets you quickly get on with your day.

Freeze gel makes an ideal partner to the Paingone Plus device and its 7oz tube offers you big value.

Apply on backs, shoulders, knees, wrists, ankles and other aching or painful areas.

How to apply Freeze gel

Freeze gel gives relief where you need it. Just apply a small amount to the affected area and massage gently. It rapidly cools and soothes, leaving a lasting effect.

“Unlike any other therapy available today”
